

Pedestals have finished tops for complete flexibility. They can stand alone, attach to panels and support worksurfaces.

6/12 Pedestals, 6/6/12 Pedestals and 12/12 Pedestals are free standing, worksurface supporting or mobile. Combination pedestals are free standing and worksurface supporting.

In order to meet ANSI/BIFMA X5.9-2012, Counterweight must be incorporated.
