

Options

Accessories for Boulevard® and Licence™

GENERAL SPECIFICATIONS:

Options is an economical line of accessories that can organize your workstation as well as complimenting your workspace. Made from 18-gauge cold rolled steel, this sturdy line of accessories are durable. Options can be used on a Boulevard® load bar or

a Licence™ load bar. Options accessories are available in any of Boulevard's standard frame finishes. The slanted sorters and flip sorters can be lined up in multiples for filing. Note: To attach option accessories to Boulevard® or Licence™, you must specify a load bar.
