**THE GLOBAL GROUP**

FOR IMMEDIATE RELEASE

### **Local Office Furniture Manufacturer Striving to Make an Environmental Difference — Recently AWARDED Manufacturer of the Year**

**TORONTO, ON, July 2007...** Local office furniture manufacturer *The Global Group* remains diligent in its dedication and commitment to protecting the environment and its natural resources, for future generations; designing and producing products that throughout their entire life cycle minimize the negative impacts on our environment, supporting today's LEED certified buildings and "greener" communities.

Recently awarded MANUFACTURER OF THE YEAR by the Office Furniture Dealers Association, The Global Group's origins date back to 1966, when it was founded by Saul Feldberg with the objective to manufacture well-made quality office furniture at affordable prices.

Global complies with both the spirit and the letter of all relevant environmental legislation and regulations, believing that, through knowledge and leadership, the company can work together in achieving meaningful environmental goals & initiatives.

*"This can be seen through product design, manufacturing, day-to-day business operations and environmental principles & policies; all of which are manifested in the activities of our voluntary environmental programs promoting the implementation and compliance with our ISO 14001:2004, Greenguard Certifications and EcoLogo Program."*
