

SEPTEMBER 2005 **PRESS RELEASE**

GLOBAL CONTRACT NOW SHOWING AT IIDEX 2005 'KIN SEATING'

MARKET APPLICATION

Workstation task seating, general office seating, meeting rooms and guest seating applications.

DESIGN + INNOVATION

The KIN chair is an expression of our Global community throughout the world. The KIN chair represents all countries of the world with its distinctive back texture; featuring the names of all the countries in the world, embedded into its molded plastic backrest.

The KIN family of task chairs offer advanced ergonomic features combined with sophisticated european design which incorporates an advanced mechanism designed for durability, ergonomic support, simplicity of function and aesthetic appearance, with easy access to all controls.

The KIN synchro-tilter enables the user to adjust the seat in a series of positions including a forward upright position which is ideal for typing. The molded plastic backrest delivers firm support; while the upholstered back option provides exceptional all day comfort. To ensure proper lumbar support, the backrest is height adjustable.

The arm caps are soft to the touch but made from durable self-skinned urethane. The arm caps are height, width and depth adjustable. Width adjustable arms allow outward movement of armrests to match shoulder breadth. Standard frames are available in black.

The KIN side chair is available to compliment this series. Stackable metal frames provide support and durability. Stacks three high. Standard frames are available in Black.

The Global Group, Canada's largest manufacturer of business furniture for office and home use. Global delivers quality, variety, style and great value in ergonomically designed seating, casegoods, filing and storage cabinets.

List price starting at \$389.
