

GLOBAL CONTRACT ANNOUNCES LAUNCH OF 'M9 SEATING' AT IIDEX 2006

MARKET APPLICATION

Executive, workstation task and general office seating, as well as meeting room and guest seating applications.

DESIGN & INNOVATION

NEW from The Global Group...Introducing the new M9 seating series, designed, developed and engineered in Europe for moderate to high usage. M9 features a synchro mechanism, height adjustable lumbar back, seat height adjustment, armrest height adjustment, a built-in seat slider, and tension control option for the seat back.

Available in all Global Contract fabrics and leathers — Finish options available on the metal components include black, tungsten and polish aluminum or chrome.

Available models:

The M9 seating series includes a High Back Task Chair with headrest, a Mid Back and a Side Chair.
