

Bridges II Cantilever storage

Define each space. Bridges II cantilever storage offers a highly compact, single-sided storage solution for shared spaces. Left or right-handed storage units multifunction as dividers and can be placed anywhere along the worksurface length to divide or extend the space. Storage provides personal and ample space from full height binders to small stationary items.

OPTIONS

Open compartment with adjustable glass shelf can accommodate full binder height.

Two pencil drawers (non-locking)

Aluminum leg

Fixed open compartments provide additional space for documents, binders or personal items.

Locking file drawer, vertical e-lock option available.
